

Invading the Darkness

A cosmic conflict of immeasurable magnitude is raging. And, we are embroiled in the midst of it.

Are we winning or losing? Why is the kingdom of darkness so powerful? What is God's plan? How do I fit in with this plan? Can God really use someone like me? Together we will explore one of the great themes of the Bible: that through the Church, God is establishing and expanding His glorious Kingdom in spite of a diabolical rebellion.

This seminar presents the unfinished task of missions and evangelism in such a way that it does not overwhelm, but rather challenges and invigorates. The responsibilities of churches and individuals are explored in both local and worldwide contexts. This seminar is both biblical and practical and a resounding affirmation that God is indeed accomplishing His purposes through His people.

THIS CONFERENCE IS TAUGHT BY CRAIG PARRO.

Four encouraging sessions to help your people to understand:

God's Incredible Plan for the Church

History is not merely a random set of events. God has ordered a gracious program of redemption, and established a people whom He will bless and through whom He will accomplish His great, eternal purposes.

Spiritual Warfare

A struggle of cosmic proportions has raged throughout the ages. Jesus came to destroy the devil's work. He challenges us to boldly step into the lives of lost people.

Developing a Heart for People

Spiritual battles often take place within our hearts and minds. We will see how God uses Jonah, the reluctant missionary and fickle prophet, to save a city. In the process, God reshapes Jonah's heart to resonate with His own.

Where Do I Fit In?

Antioch is a model New Testament church from which the first missionaries were sent. Your church will be challenged to respond in creative ways to the great mission which Jesus has set before us, a mission which will resound to the glory of God.
