

# Developing A Heart For Ministry

**I'm inadequate." We tell this to ourselves in times of brutal honesty. We cannot measure up to what God has called us to be.**

**T**here is a good reason for these feelings. We are inadequate! Yet the glorious news of the gospel is that we become adequate in Christ for all that God has set before us. This explanation of ministry, and the ordinary people God uses to pour out His life in the world, will encourage your congregation's hearts.

**W**e will see how God is developing servants of character and integrity, and through them is building His eternal kingdom. This is not a "how to" seminar, but a glimpse of the Person of God and the power of His Word to create life in the hearts of men and women.

THIS CONFERENCE IS TAUGHT BY BILL MILLS.

**Four encouraging sessions to help your people to:**

## See God; See themselves

God will give us a hunger to see His face, and then transform us with a vision of who He is! All of our life and ministry will flow out of how we see His holiness and glory, His all-sufficient power, His sovereignty, justice and righteousness.

## Cultivating a Responsive Heart

Everything that God does will remain forever. No one can add anything to what He is doing; no man can detract from God's ability to fulfill His will. Since ministry is what God does, what He desires from us is a responsive heart as He makes us adequate.

## Words That Bring Life

When God called the prophets and disciples, He commissioned them with a ministry of His Word. We will see the process by which the Word of God becomes a living part of us in preparation for a life of ministry, power and authority among His people.

## How God Prepares Us

From before the foundation of the world, He has been preparing us for the work to which He has called us. What is God's development process? What is the means by which God pours Himself through us to those around us?
