FELLOWSHIP
OF THE WORD

A MINISTRY OF
Leadership
RESOURCES

*A FELLOWSHIP
OF PASTORS
CENTERED
AROUND
God's
Word*

Our Goal...

is to help faithful men of God grow together in confidence to proclaim the Word with transforming power, and work together to see the gospel permeate the communities where they live.

Our Approach...

is built upon 8 workshops over the course of 4 years where we work through a book of the Bible, striving to hear God's heart expressed through the thoughts and intention of the author.

FROM isolation to *Partnership*

What do you think of when you hear the word “fellowship”?

Many think primarily of the social aspects of the believing community. Yet the Biblical writers often used the word to express the **strategic partnership believers share in gospel ministry**. This is what brought Paul such great joy as he thought of the church in Philippi:

*I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your **partnership in the gospel** from the first day until now. And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ (Phil. 1:3-6).*

Do you share Paul’s heart for partnership in your ministry?
Are there men with whom you share a bond in the Word and work of the gospel – studying it, preaching it and making disciples through the transforming power of it?

The sad truth is many pastors do their work in isolation. Although surrounded by faithful believers who affirm their calling, far too many pastors sense a loneliness in their life and ministry.

And this is where Leadership Resources comes in. We are not looking to create pastoral networks or ministry associations. Instead, we are seeking to nurture the growth of Biblically grounded pastors who gather to study the Word of God together. By doing so, we are hoping to promote a growing partnership of gospel ministry through Fellowship of the Word.

“...SIMPLY A
FELLOWSHIP
around the Word of God
like I have never
experienced.”

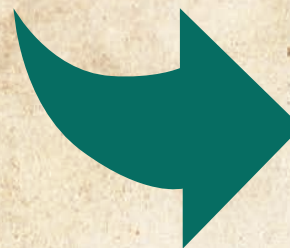

“I attend a number of pastor’s conferences every year. Most of them are about a certain pastor’s new book or his successful way of doing ministry. But this week was different. It was simply a fellowship around the Word of God like I have never experienced. There was no competition of egos, no promotion of a personality or his views – just a conversation among pastors about the Word of God, and specifically how God’s heart is communicated to us through the book [of the Bible] we were studying.”

– Pastor Dale, Warrenville, IL

“Your ministry has given me a fresh zeal... I have slacked and I’m glad to renew that important commitment.”

– Pastor John, Side Lake, MN

Nurturing an **EXPOSITIONAL** **MINDSET** that transforms **EVERYTHING**

Your Head

We will seek to increase your knowledge of the Scriptures as well as develop your skills in handling the text and the proclamation of it, by training you in some practical hermeneutical principles, expositional preaching, and Biblical theology.

Your Heart

We will seek to deepen your love for God by encouraging you to more clearly see and understand God’s own heart as revealed through the intention of His Word. The desire of God, after all, was not merely to inform us but transform us into His people, for His glory in this world.

Your Hands

We will seek to foster an ever-expanding view of your calling to the ministry of the Word by exposing you to the continuing work of the gospel around the world and by preparing you to pass this training on to other faithful men.

Your Church

We will seek to nurture an expositional mindset that will transform your vision of the church into one that embraces a Word-centered ministry at work through every member of your congregation.
